Instead of the addition proposed to clause 3(b), that clause may perhaps be recast as follows:—

"(b) Interest accruing on another sum of Rs.10,000/- shall be utilized for the award of scholarships to the students in the College and High School Departments of the St.Agnes College, Mangalore, similar to those awarded to the students in the College and High School Departments of the St.Aloysius College as mentioned in sub-clause (a)."

Clause 3 (c):—

2. It is presumed that the scholarships under this clause may be awarded to the students in the High School Department also. If so, it may be made clear. It is not however clear whether a scholarship holder under clause 3(a)(i) or (ii) can get the benefit of an additional scholarship under this clause. Again, if there are only two students coming from Shirva village it is not known whether the amount intended for the third scholarship will be divided between those two students from Shirva or awarded as scholarships to any other student. The same remark will apply to the case where there is only one student from that village. This requires clarification.

E.& P.H.(G.2)

Please see the Legal Department note on p.3 ante. The D.P.I. has since forwarded a revised amendment to the Scheme. He has also forwarded copies of two letters he has received from the Principal, St. Aloysius College, Mangalore, in the matter. As regards 'R' of Legal note on p.3 ante, it is seen from the amendment submitted by the D.P.I. on p.18 c.f that the scholarships under clause 3(c) may be awarded to the students in the High School Department also, in case there are not sufficient number of applicants from the Shirva village, in the college department. The presumption of Legal that the scholarships under this clause may be awarded to the students in the High School Department also is therefore correct. Regarding the Legal note at 'S' on p.3 ante, the Principal of the College in his letter to the D.P.I. dated 17-5-1949 has suggested that in case there are no applicants at all or if the number of applicants is less than three, the vacant scholarship or scholarships may be thrown open to other students studying in the College Department of St. Aloysius College, provided they are not holders of any other Govt. Crawford Scholarship, and provided clause 4 of the schedule is duly observed. The D.P.I. evidently accepts this suggestion. The revised draft notification below may be sent to Legal for remarks.
